

1. *When you are conducting an evaluation for SLD and another disability area, you must select the sld template for the evaluation. This is the only way the sld signature page will populate, and signatures are always required for sld determination.*

2. Extended School Year (ESY)

- *Review the ESY Determination Flowchart (attached)*
- *Check IEPs to make sure that ESY is checked yes or no correctly*
- *This determination is typically made at annual review meetings and should be based on data.*
- *Determination is made every school year and is not based on prior history.*
- *Each individual service must make its own determination (DCD, Speech, OT, etc)*
- *ESY justification forms must be sent to the BRIC Supervisor by March 15*
