

ESY DOCUMENTATION DUE DATE - MARCH 15TH

Reminder: students who are graduating from high school are **not eligible** for ESY.

4TH QUARTER PROGRESS REPORTS FOR SENIORS = SOP

“What’s an SOP?” you may be asking. An SOP is a Summary of Performance. ***This form must be completed for all students who are graduating from high school and moving on to post-secondary life.*** The form is located under the Dismissal heading on the student’s forms menu page in SPED Forms.

Current status / progress data on goals and objectives can be reported in the academic and functional performance sections of this form and then it can serve as the final progress report for the student.

Having the student contribute to or write the information for the SOP is a great self-advocacy activity!

Do not complete this form if the student is participating in graduation ceremony, but is not receiving a diploma and is returning to programming the next school year.

FILE MAINTENANCE

On-site monitoring is next year. It will be MUCH less stressful if we are organized and ready. Take 1-2 files per week for the remainder of the year and ensure their contents are:

1. Included in the file
2. Accurately represent the last 3 years of service
3. Are organized per your district protocol.
