

**PRELIMINARY FUNCTIONAL BEHAVIORAL ASSESSMENT
INTERVIEW FORM**

(will be provided to teacher for completion)

Name of Student: _____ Name of Teacher: _____
Date: _____

1. List and describe behavior(s) of concern.
2. Out of this list, which of these behaviors are the most problematic and why?
3. What do you think motivates this student to perform these behaviors? For example, are they getting attention from you and/or peers? Are they trying to escape the setting? Is the work too difficult? etc.?
4. At what times do these behaviors occur most often?
5. In what settings do these behaviors occur most often?
6. How often do these behaviors occur?

7. Are there settings or times when these behaviors do not occur?

8. Do these behaviors occur more often when around certain people or peers?

9. Do you think these behaviors are the result of skills deficits such as low academic skills or poor social skills?

10. Are there any signs that help you predict when these behaviors are about to occur?

11. What things have you done to address the most problematic behaviors? Please list interventions.

12. Have you found any consequences that are effective in lessening these behaviors?

13. What positive characteristics does this student possess?
