# **LCTS ACTIVITY CODES**

The following definitions and examples will help you in your selection of activity codes.

## **I. Children at Risk**

*Codes A through F should only be used when the activity is associated with a child currently in placement or at imminent risk of placement including determination of risk, direct case management of a child at imminent risk, training surrounding dealing with children at risk, and general administrative duties surrounding children at risk.*

### **Code A – Determination of Risk**

Federally Approved Code, May 1996

This code should be used whenever the worker is engaged in activities to determine the following:

1. Is there the need for placement or a risk of being placed out of the home.
2. Is there a risk of maltreatment, an occurrence of maltreatment, or a need for protection or services, and whether the agency will respond to address the needs as identified.

Choose this code if you are doing an activity that helps to decide if a situation is present that would result in mandated reporting to county social services or local authorities; or if you are determining the need to recommend a student to the Foster Care Candidacy Specialist at county social services, up to the point of filling out the "Foster Care Candidacy Determination Form". Some examples include:

- ✚ Consulting with others regarding the maltreatment of a student following a student's disclosure of possible abuse;
- ✚ Deciding whether there is an abuse, neglect, or maltreatment situation that warrants referral and/or reporting to appropriate authorities and making that referral/report;
- ✚ Participating in discussions and/or investigations on whether a student's or student's family situation warrants referral and/or reporting to appropriate authorities;
- ✚ Participating in discussions and/or investigations on whether there have been significant changes in the student's or student's family situation which warrants referral and/or reporting to appropriate authorities;

DHS Financial Operations  
April 1, 2011

- ✚ Participating in child protection risk assessment;
- ✚ Contacting child abuse team if suspected maltreatment has occurred to a student;
- ✚ Reporting maltreatment to a county social service agency or local authorities;
- ✚ Paperwork and staff travel related to the above activities.

**NOTE:** *This is a time-limited activity in response to a new report or incident. This activity ends at the point the staff person refers the case to county social services or law enforcement or when the staff person decides **not** to make a referral.*

## **Code B - Child Service Coordination**

Federally Approved Code, May 1996

This code should be used when a worker is engaged in any placement prevention or placement services (excluding correctional placements), or accessing other services, other than health/medical related on the behalf of a client under 18 years of age or 18 and in school.

Choose this code if you are coordinating child welfare services for students who are either in foster care or have been identified as Foster Care Candidates. This does not include providing the actual service itself.

This code is separated into two categories (B1 and B2) to differentiate the child's status as either "In Foster Care Placement" or as a "Foster Care Candidate". Some examples include:

### **B1: Service Coordination – Child is in Foster Care Placement**

- ✚ Participating in initial and subsequent discussions with or referrals to a social worker concerning child welfare services available to a student or their family;
- ✚ Referring or arranging for a student and their foster family to receive counseling, participate in the Big Brother Program, work with a mentor, or receive other child welfare services;
- ✚ Making referrals to the county or other agencies to provide services to a student and their foster family.
- ✚ Referring or arranging for a student to attend a teen support group to help cope with a parent who is a substance abuser;
- ✚ Participating in meetings to assist a student's planned return to school following foster care placement or transition from corrections;
- ✚ Participating in case conferences, administrative reviews, child staffing and informal conferences when the purpose of the discussion is to discuss child welfare services;
- ✚ Contacting, monitoring or communicating with a student, family members, substitute care providers, social services or other relevant persons regarding the provision of child welfare services

DHS Financial Operations

for the student and assessing and evaluating the effectiveness of child welfare services;

- ✚ Visiting a truant student's foster home to develop and implement an individual performance contract, monitoring performance or to report on progress;
- ✚ Contacting the appropriate staff if you suspect maltreatment has occurred for a student;
- ✚ Participating in case conferences, administrative reviews, child staffing and informal conferences when the purpose of the discussion is to discuss child welfare services;
- ✚ Arranging for or providing access or referral to translation services (oral and signing) to help school staff communicate with a student or the student's parents regarding child welfare services provided to the student and their family;
- ✚ Meeting with school staff, county staff, caregivers and/or students about truancy related issues.
- ✚ Paperwork and staff travel related to the above activities.

## **B2: Service Coordination – Child is a Foster Care Candidate**

- ✚ Participating in initial and subsequent discussions with or referrals to a social worker concerning social services available to a student or their family;
- ✚ Coordinating with agencies on possible social services available to help the family to improve the home situation and lessen the possibility that the student would have to be removed from the home;
- ✚ Referring or arranging for a student or their family to receive counseling, attend an anger management group, participate in the Big Brother Program, work with a mentor, or receive other social services;
- ✚ Making referrals to the county or other agencies to provide social services to a student or the family;
- ✚ Referring or arranging for a student to attend a teen support group to help cope with a parent who is a substance abuser;

- ✦ Contacting the appropriate staff if you suspect maltreatment has occurred for a student;
- ✦ Participating in case conferences, administrative reviews, child staffing and informal conferences when the purpose of the discussion is to discuss needed social services;
- ✦ Contacting, monitoring or communicating with a student, family members, social services or other relevant persons regarding the provision of services for the student and assessing and evaluating the effectiveness of services that were put in place;
- ✦ Arranging for or providing access or referral to translation services (oral and signing) to help school staff communicate with a student or the student's parents regarding services provided to the student and/or family;
- ✦ Visiting a truant student's home to develop and implement an individual performance contract, monitoring performance or to report on progress;
- ✦ Meeting with school staff, county staff, family and/or students about truancy related issues;
- ✦ Paperwork and staff travel related to the above activities.

## **Code C – Court Related and Other Child Related Administration**

Federally Approved Code, May 1996

This code should be used when the worker is engaged in any activity involved in preparing for or participating in any judicial activity on behalf of a child under age 18 or 18 and in school or when the activity is not related to a specific case.

This code has two parts. The first part of this code is other child welfare related activity that is not related to a specific student. Child welfare activities are those that ensure the safety and well-being of a child. Some examples include:

- ✚ Participating in discussions or planning meetings (district, school, community, collaborative, interagency) concerning the general topic of students and the factors that put them at risk of being removed from the home;
- ✚ Paperwork and staff travel related to the above activities.

The second part of this code is court related activity for a specific student who is currently in foster care. Some examples include:

- ✚ Working with a school liaison police officer in preparation for court;
- ✚ Assisting with any activities to support any petitions for the county related to foster care placement;
- ✚ Preparing or providing a truancy petition for the county;
- ✚ Preparing for or participating in any court hearing or administrative review including presenting testimony related to foster care placement;
- ✚ Paperwork and staff travel related to the above activities.

## ***Code D – Child Welfare Training of Local Collaborative Staff***

Federally Approved Code, May 1996

This code should be used when the worker is engaged in or preparing for training, either as a trainer of other local collaborative staff or as a trainee, and the subject of the training is related to performing administrative services related to out-of-home placement. This code should also be used when the local collaborative staff worker is engaged in or preparing for training volunteers or persons preparing for employment with the local collaborative.

Choose this code if you are receiving or providing training on issues that fall within the definition of child welfare. This generally includes training concerning topics that have a goal of keeping families together and helping families access services needed to meet the safety and well-being needs of students. Some examples include:

- ✚ Presenting or attending training for collaborative partners or school staff on increasing ability of staff to recognize students in trouble and identifying needed child welfare services;
- ✚ Presenting or attending training on issues regarding students who may be at risk or in foster care placement;
- ✚ Attending child welfare training provided by the state or county;
- ✚ Presenting or attending training on Foster Care Candidacy;
- ✚ Paperwork and staff travel related to the above activities.

## **Code E – Training of Foster or Adoptive Parents or Provider Staff**

Federally Approved Code, May 1996

This code should be used when the worker is engaged in or preparing for training to:

1. Current or prospective foster and adoptive parents, including relatives; or
2. Staff of residential facilities, group homes, shelters, or Rule 4 child placement agencies, which are licensed or approved by the state or Tribal government, including private agency staff working under a purchase of service agreement with the county agency. These facilities or agencies must be providing care to adoptive children or children in substitute care.

This training must be directed at increasing the ability of the participants to provide support and assistance to the children in their care.

Choose this code if you are training current or prospective foster or adoptive parents, including relatives, on the care of children who have been entrusted in their care. Some examples include:

- ✚ Preparing for or attending training for current or prospective foster and adoptive parents, regarding child development issues, behavior modification or management, identification of and treatment strategies for chemical dependency, mental health or abnormal behavior;
- ✚ Educating foster or adoptive parents regarding child development issues pertinent to the children in their care;
- ✚ Meeting with a foster parent on a child's special needs or placement plan;
- ✚ Providing parenting classes for new foster or adoptive parents;
- ✚ Paperwork and staff travel related to the above activities.

## **Code F – Treatment and Counseling**

Federally Approved Code, May 1996

This code should be used when providing face to face treatment and counseling services to a child, the child's family, or to the child's substitute care provider to ameliorate or remedy personal problems, behaviors, or home conditions specifically identified in the case plan.

Choose this code if you are providing counseling to students who are currently in foster care or who have been identified as Foster Care Candidates. Also choose this code if you are providing counseling to a student's family if the student has been identified as a Foster Care Candidate or is currently in foster care. Some examples include:

- ✚ Providing face to face therapeutic treatment and counseling services to a student, their family and/or a substitute care provider to resolve personal problems;
- ✚ Leading a group therapy session where one or more students have been identified as a Foster Care Candidate or is currently in foster care;
- ✚ Providing counseling for substance abuse conditions;
- ✚ Providing psychiatric services;
- ✚ Providing psychological counseling;
- ✚ Providing rehabilitative mental health services;
- ✚ Providing guidance counseling;
- ✚ Listening to and providing therapeutic intervention when a student is talking to you about committing suicide and the conversation is to prevent the suicide;
- ✚ Talking with and providing therapeutic intervention for a student who is rageful and out of control in an effort to get him/her in control and address the issues at hand;
- ✚ Providing therapeutic intervention when you are leading a group therapy session (distinct from a friendship group);
- ✚ Facilitating a formal grief group;
- ✚ Paperwork and staff travel related to the above activities.

## II. Health/Medical Related

*Codes G through I should be used when the activity performed is designed to help clients attain or maintain a favorable condition of health (mental or physical) by assisting them in identifying and understanding their needs and securing and monitoring necessary treatment and maintenance services that are MA reimbursable.*

\*\*\* In this Reference Guide:

**MA** refers to Medical Assistance and/or Medicaid

**Health/medical services** refers to medical/dental/mental health/chemical health services

### **Code G – MA Eligibility Determination Assistance**

Federally Approved Code, May 1996

This code should be used when a worker is performing activities related to assisting in the determination of whether or not a child or the child's family is eligible for Medical Assistance.

Choose this code when you are collecting information regarding MA eligibility processes and conducting MA outreach. Some examples include:

- ✚ Gathering or assisting a student and/or family in collecting information and documents related to an MA eligibility application or review income verification, social security number, citizenship, etc.;
- ✚ Assisting a student and/or family in filling out and processing MA or MinnesotaCare eligibility forms;
- ✚ Assisting a student and/or family in updating MA or MinnesotaCare eligibility forms when circumstances change;
- ✚ Training or receiving training for staff that provide outreach if the subject of the training is how to assist families to access MA services and understand the benefits of the services available, or how to more effectively refer students and their families for MA services. Also include presenting or attending training for staff in MA eligibility requirements;
- ✚ Informing potential MA eligible students and their families about the services provided by MA;

DHS Financial Operations  
April 1, 2011

- ✚ Providing information about Child and Teen Check-Ups to help identify medical conditions that can be corrected or improved by services offered through the MA program;
- ✚ Providing MA outreach services such as passing out brochures explaining MA, and informing people about MA eligibility requirements and the MA enrollment process;
- ✚ Referring an individual or family to the county to apply for MA benefits;
- ✚ Contacting pregnant and parenting teenagers to discuss the availability of MA prenatal and well baby care programs and services;
- ✚ Paperwork and staff travel related to the above activities.

## **Code H – Health/Medical Related Service Coordination**

Federally Approved Code, May 1996

This code should be used for any non-invoiced activities that aid clients to attain and maintain a favorable condition of health (mental or physical) by assisting them in identifying and understanding their health needs and securing and monitoring necessary treatment and maintenance services that are MA eligible for MA and non-MA clients.

\*\*\* *In this Reference Guide:*

**MA** refers to Medical Assistance and/or Medicaid

**Health/medical services** refers to medical/dental/mental health/chemical health services

Choose this code when you are referring and monitoring treatment and maintenance of MA services and participating in interagency coordination of services. Some examples include:

- ✚ Gathering any information that may be required in advance of health/medical referrals;
- ✚ Making referrals for Child and Teen Check-Ups;
- ✚ Acting as a liaison with MA providers and local health departments;
- ✚ Participating in the development of a plan relating or pertaining to the health/medical needs of a **Non-IEP/IFSP/IIIP** student, i.e. individual health plan (IHP);
- ✚ Completing health review forms on students not part of the IEP/IFSP/IIIP process;
- ✚ Making referrals to family planning services;
- ✚ Making referrals to other MA covered services;
- ✚ Arranging for a CD assessment;
- ✚ Arranging for HIV testing;
- ✚ Providing information regarding the identification of health/medical needs, child development, substance abuse or providing proper child health/medical care;

DHS Financial Operations  
April 1, 2011
